

WEST YORKSHIRE POLICE SUB-AQUA CLUB

I am a serving officer in the West Yorkshire Police Underwater Search Unit. I am a qualified and experienced diver and diving supervisor. I have also been a member of a civilian sub-aqua club.

I feel that, subject to the approval of our Chief Constable, Mr. Nobes, and given the resources and commitment of other members as appointed or involved, a sub-aqua club could operate within the West Yorkshire Police Force.

In furtherance of this aim, I hereby give notice of my intention to hold an inaugural meeting at 4.30pm on 19.9.91 at the Bay Horse Public House, Bradford Road, East Ardsley, Wakefield.

Signed P.C. 3222 Colin Bryan.

Dated 1st September, 1991.
