ACTING TREASURERS REPORT

Although no members subscriptions are yet being paid the Sub-Aqua Club is making money through the sales of badges.

200 Diver badges were purchased at a cost of £150.40. They are selling for £2.00 each. The bill for the badges has been paid in full and to date has left us with a profit of £7.60. It is hoped that the end profit from the sale of the badges will be £249.60

I hope that this first rather basic Treasurers report will meet with all the members approval.
